

Respectful Child 2

Our prophet one day visited his daughter Fatima. He loved his grandchildren Hasan and Huseyin. He slept there that night. Hasan wanted water at night. Our prophet brought water to him. At that moment, Huseyin also wanted water.

Our prophet gave the water to Hasan first. Fatima asked, "Do you love Hasan more?" Our prophet said, "No, Hasan wanted the water first."

We greet you,
"O Prophet, full of respect and love,...
Allahumma Salli Ala Sayyidina Muhammed.

Come on let's walk together.
Let's turn the pages.
Why should we always be respectful?
Let us color and learn.

Dear Mothers and Fathers,

Our children are the greatest treasure entrusted to us.

Our dream is to see that our children have the most beautiful manners.

The "Rose House Coloring Book Series" has focused on the behavior of our children and aimed to gain discipline in them.

This method of teaching these behaviors to preschool children by using coloring and activities is fun and efficient.

In order to use this set efficiently, we should follow the instructions.

Parents should guide their children.

Every page should be examined carefully.

According to the behaviors mentioned in these pages, parents should exchange ideas with their child.

If we focus on these issues throughout each day, we can encourage display of the desired behaviors.

We recommend that parents color the books with their child in order and one by one. Let us color, think, and apply...

Translated by Bulent Belbez

We should be respectful to our family.
We should knock on our parents' closed door and ask, "May I enter?"

Can you count the number of doors in your house?
Which doors must we have permission to open?

We should be respectful to elder people.
We must meet our father at the door when he comes.
We give him his slippers and greet him.

How do you welcome your father?
What do you do with your father at home?

Elif kisses her grandfather's hand and says, "How are you Grandfather?"
We should kiss the hand of our elder relatives and ask how they are.

Who are your elder relatives?
Can you count them? What do you call your father's brother?
What do you call your mother's sister?

Ali likes to pray a lot... Allah says,
"Pray to Me, and I will accept your pray."
"O Allah, save me, my mother, my father and all human beings. Amen"

Do you pray when you wish for something?
Do you know when the prayer times are?
What should we focus on when we pray?

Elif likes her mother's cooking very much.
She thanks her mother for this reason.
She also thanks Allah by saying, "Alhamdulillah." (Praise be to God)

What should we say when we start to eat?
How should we act when we eat?

We should be very respectful of a Holy Qur'an.
Ali's grandmother teaches him how to read the Holy Qur'an.
He cleans himself before reading Qur'an.
We should be clean (take ablution/wudu) before we read Qur'an.

Do you have the Holy Qur'an at home?
Do you know how to read Qur'an?

When we sneeze, we should cover our nose and mouth.
This shows our respect to others around us.

What should we say when we sneeze?
What should we say when we see someone who sneezes?
What should we pay attention when we sneeze?

Our prophet ordered.
"When you are invited somewhere, go to this place."
It is a sign of respect when we go to the place where we are invited.

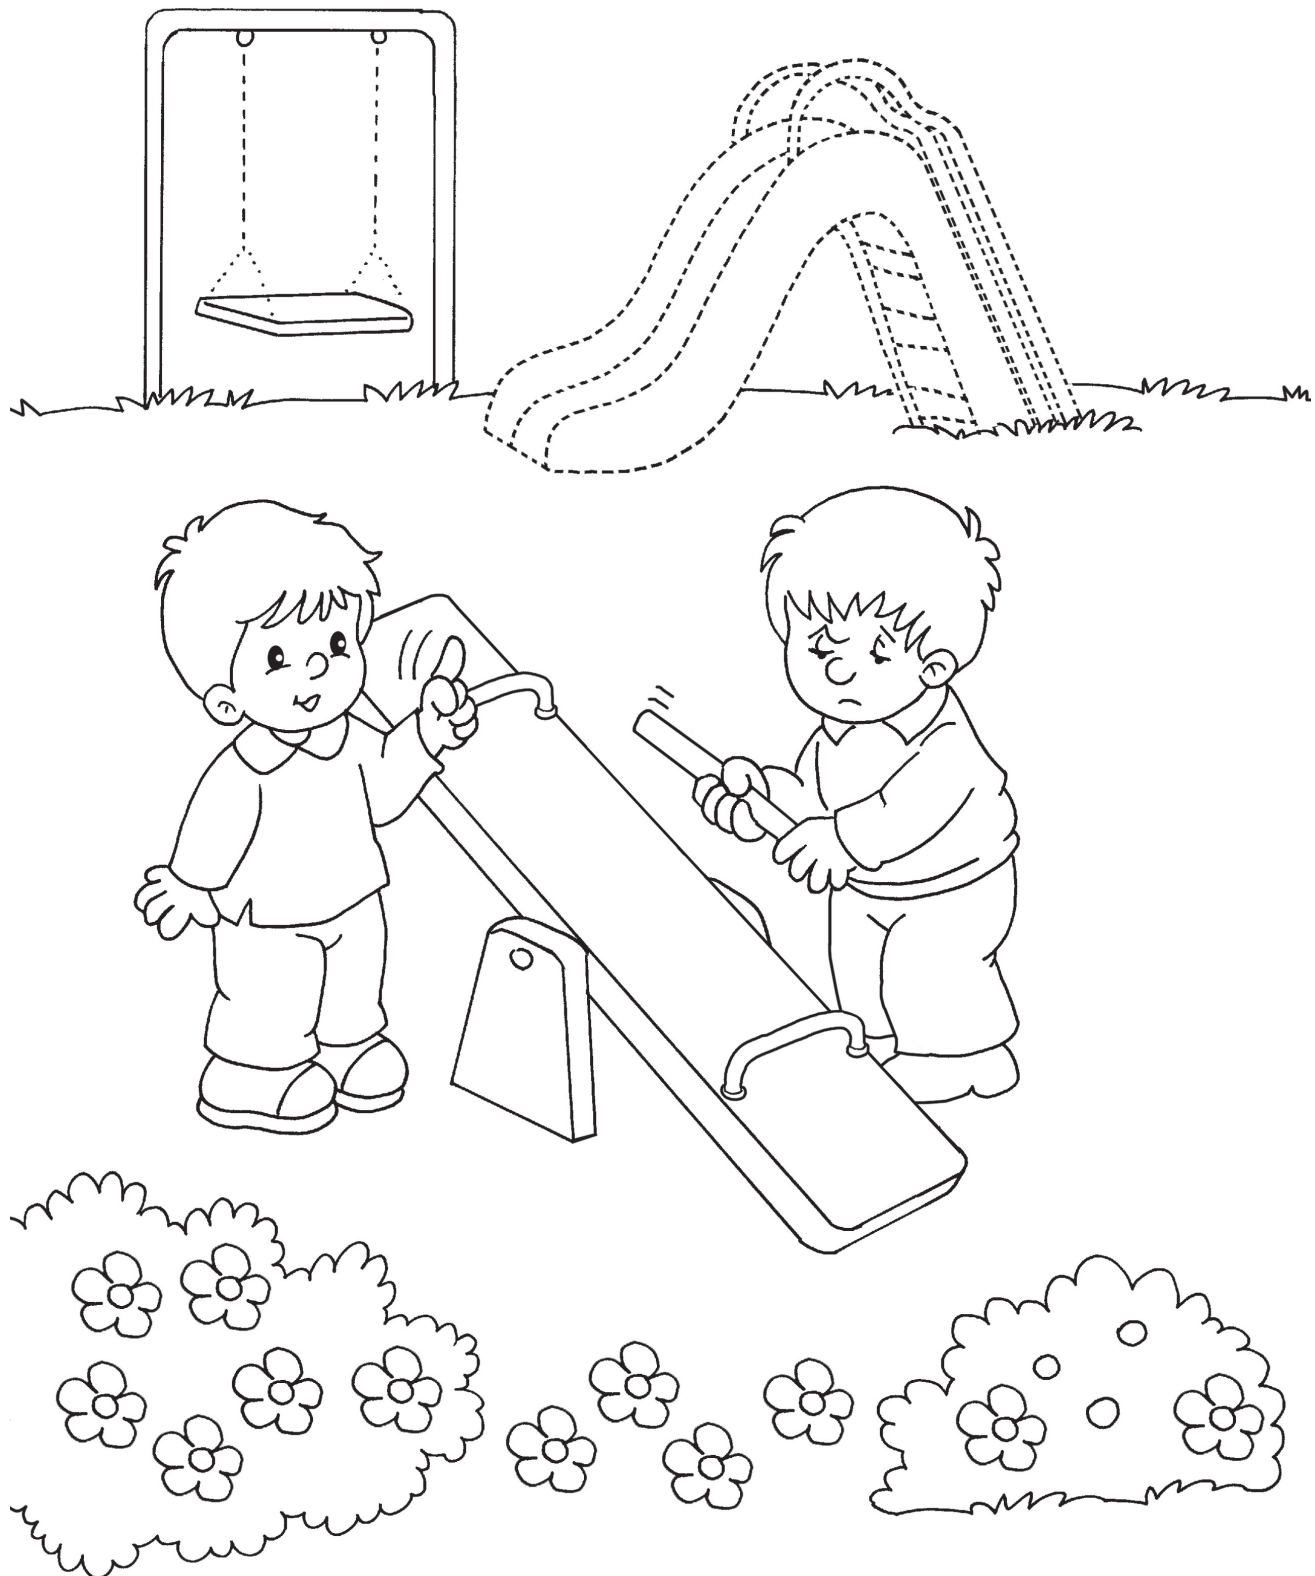

Has any invitation card come to your house?
Have you ever gone to a wedding?

When we are waiting in a line,
we shouldn't try to go to the front of the line.
We should be respectful of the rights of others.

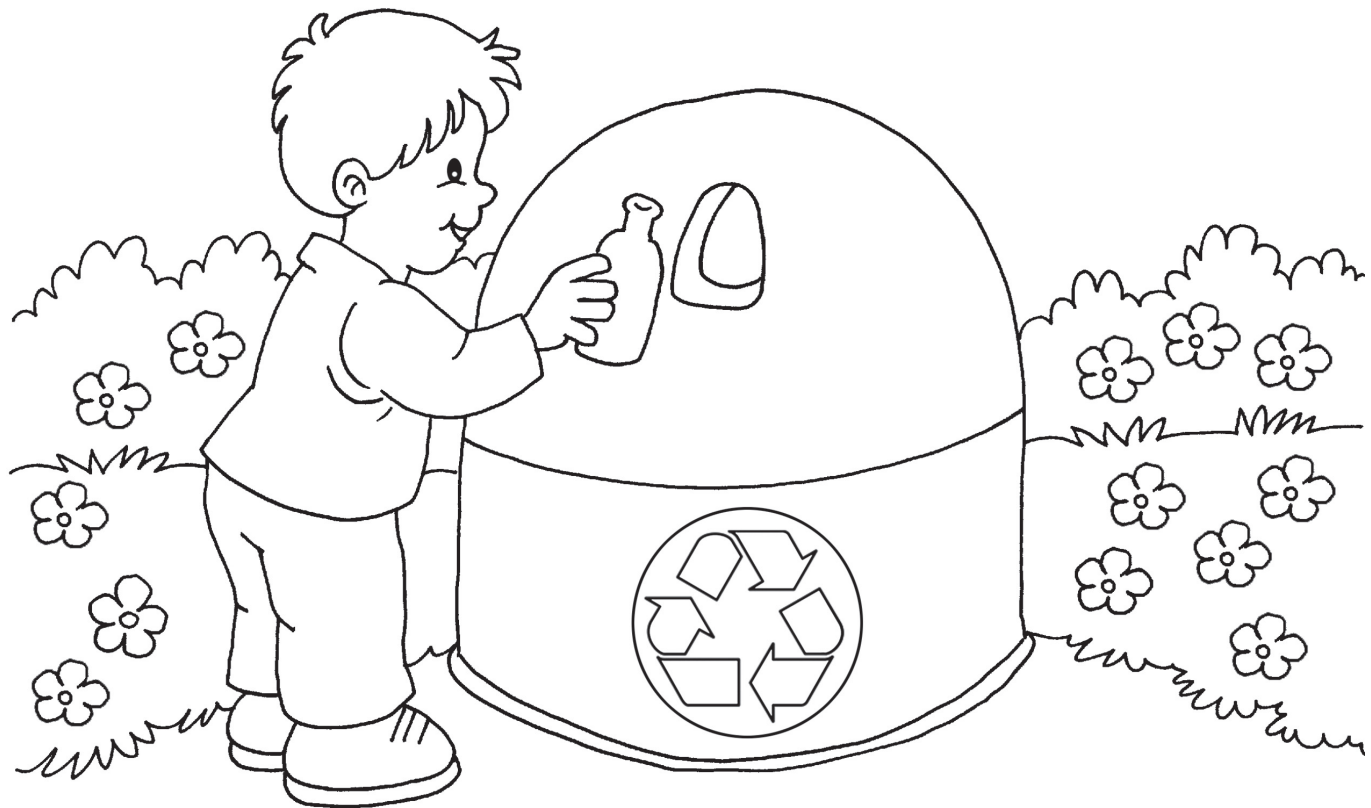

Do you line up at school, the market, or the bus stop?
If your friend doesn't get in line, what would you do?
In the picture, how many students didn't get in line?

We should use the playgrounds nicely.
We shouldn't break or mark things.

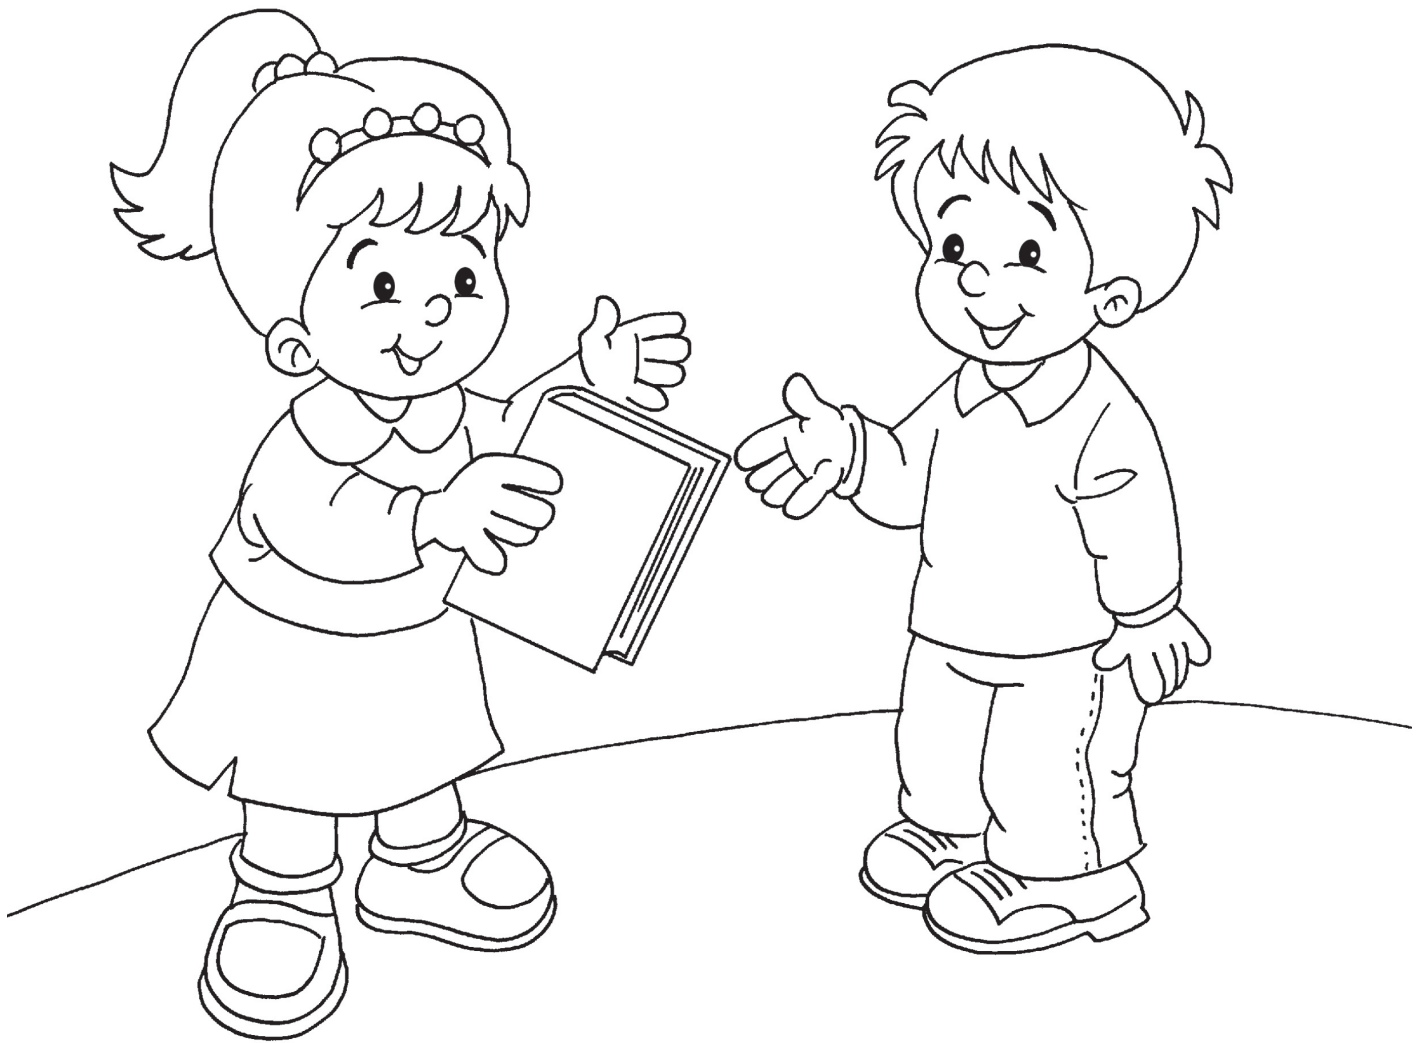

Can you name the toys above?
How should we warn our friends who harm the toys?
Can you color the flowers after connecting the dots?

We should be respectful to the outdoors.
It is a sign of respect for our world to throw
the garbage in to the garbage can.

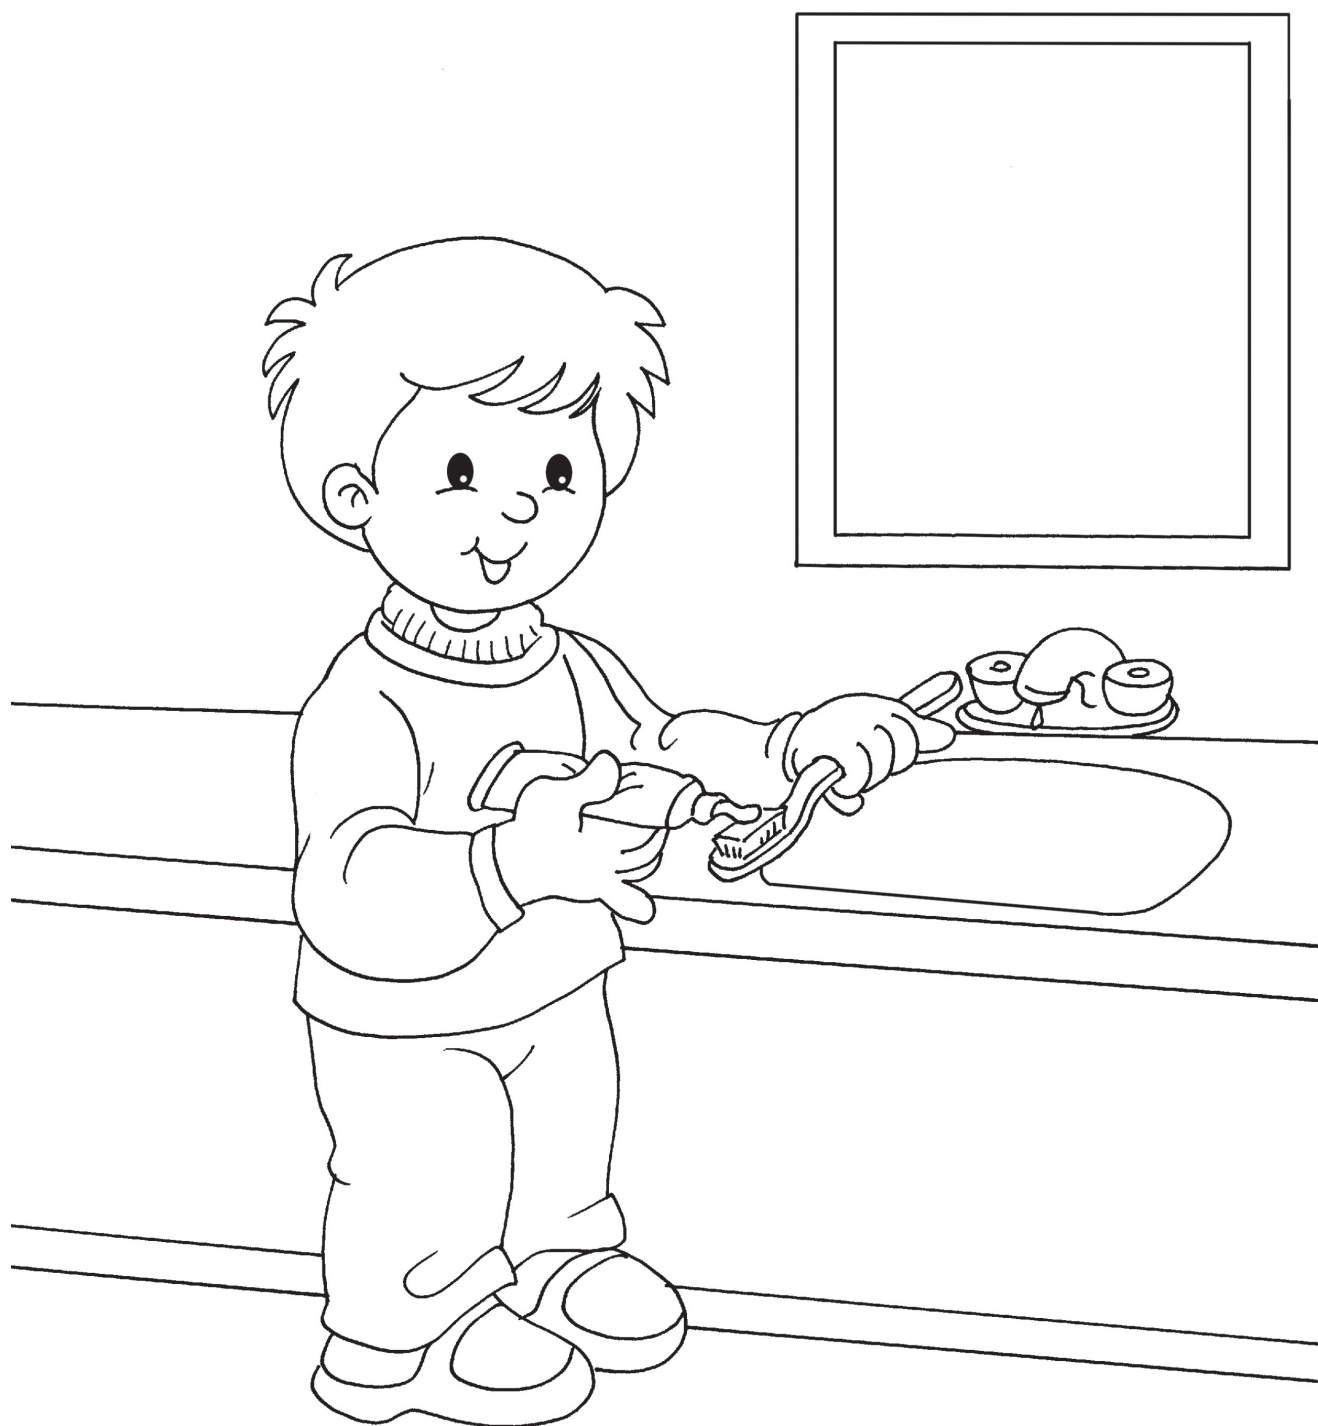

Can you explain what this child is doing?
Who takes out the garbage at your home? What is recycling?

We should return the borrowed,
entrusted materials on time to our friends.
We should never harm what is entrusted to us.

Have you ever borrowed anything from your friend?
What would you do if something you borrowed was damaged?
Who is "Al-Amin", the person who protected entrusted items best?

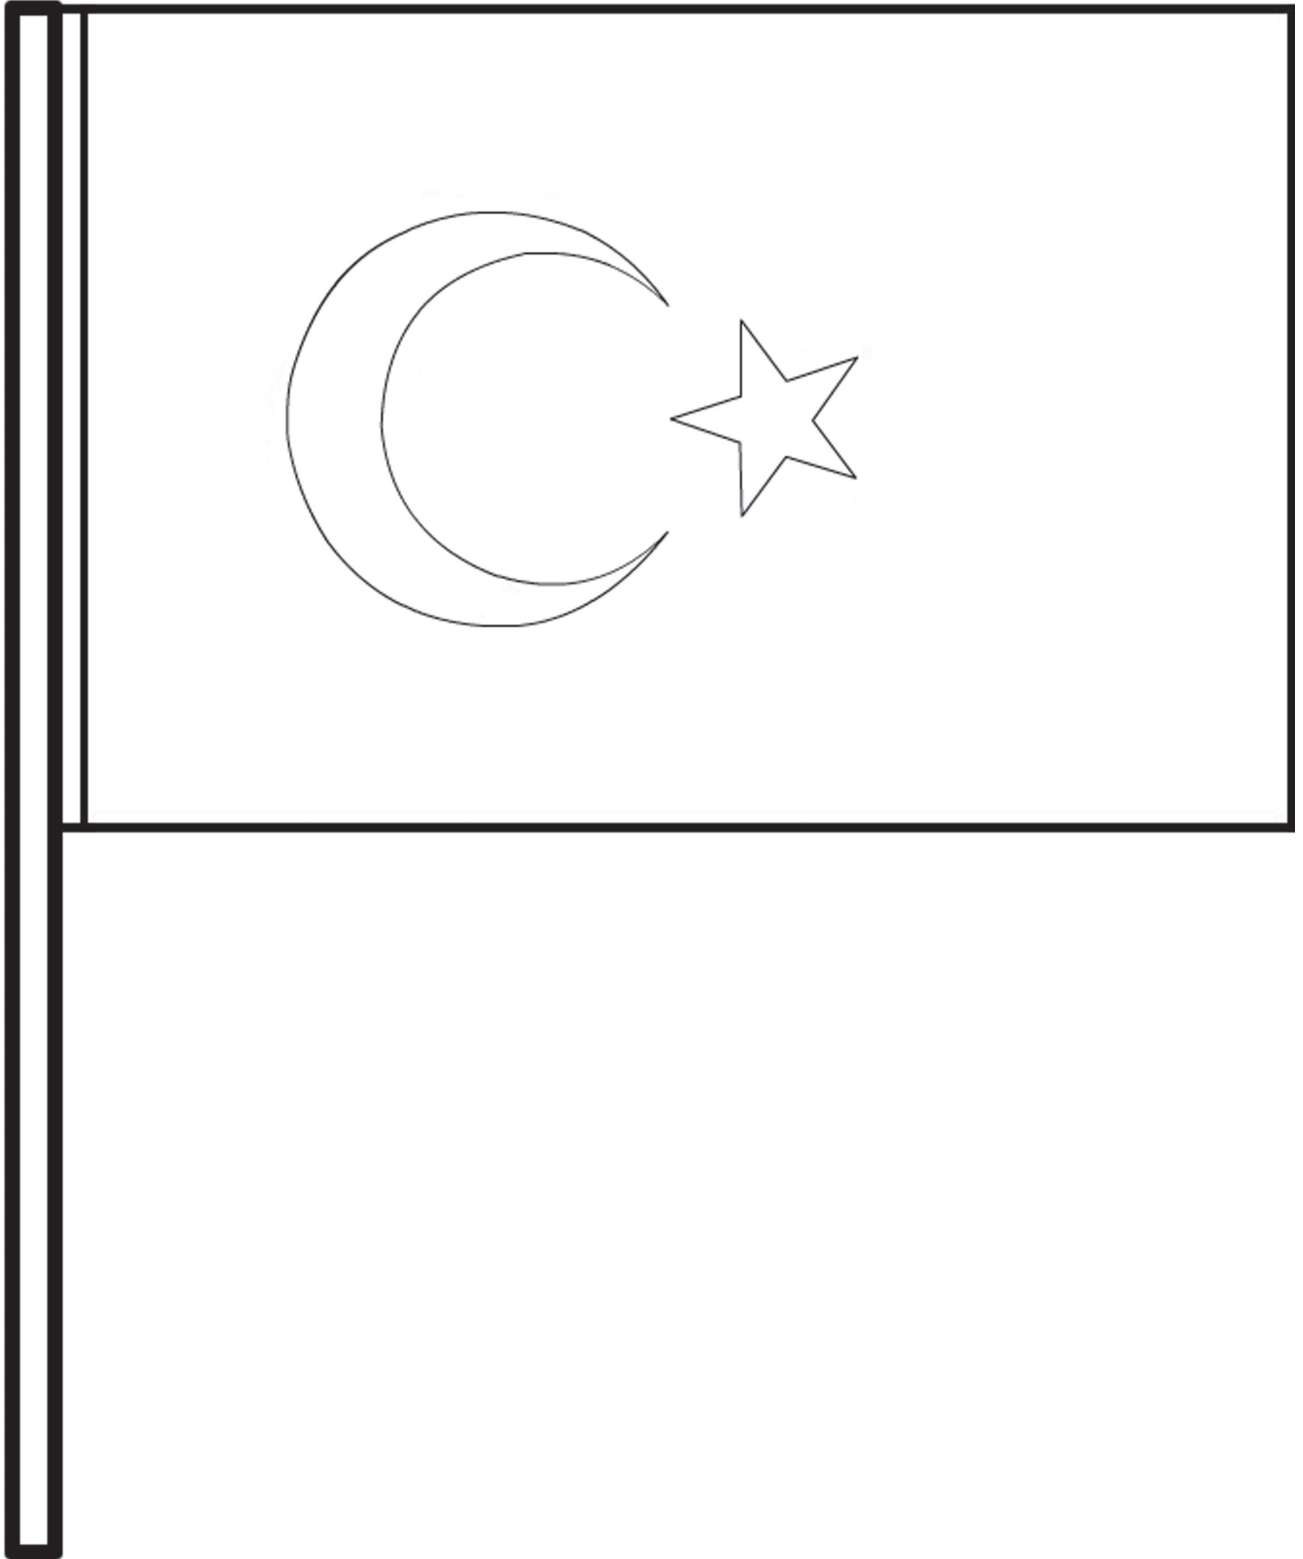

We should use our things properly and in a clean way.
When we brush our teeth, we should not waste the toothpaste.

How many times a day do you brush your teeth?
Can you count the ways we keep ourselves clean?

ACTIVITY PAGE

We should respect national flags.

What are the colors of the Turkish flag?
(Red background, white moon and star)
